PBN Announces Appointment of Mr. Gerhard Nederlof as Senior Vice President of Global Sales and Marketing

Melbourne, Australia, 1 February 2010 - PBN today announced the appointment of Mr. Gerhard Nederlof as Senior Vice President of Global Sales and Marketing. Mr. Gerhard Nederlof will provide the company with strong leadership in global sales and marketing, which will be a major driving factor in achieving strong revenue growth for the future.

Mr. Gerhard Nederlof brings to PBN many years of extensive industry experience in the area of sales and marketing in the telecommunications market place globally. Prior to joining PBN, Mr. Gerhard Nederlof served as Vice President of Sales and Marketing for a US based and listed NASDAQ Company; where he managed the corporate strategy to expand business in international markets and increase annual sales revenue globally to in excess of USD 60 million. He also boasts an impressive track record in various other executive positions that included the development of major product lines, the establishment of a leading service business and much more. Above everything else that has been accomplished, he was also the founder of a successful product development and system integration company for the European broadband market, where he achieved a significant market share for Broadband LAN products and services.
