

EOL and Replacement Information for FT5S

PBN is announcing the End-Of-Life (EOL) for the FT5S series product. The last day to order the affected product(s) is 31 Dec 2020.

Customers with active service contracts will continue to receive support from PBN as shown in Table 1 of the EOL bulletin. Table 1 describes the end-Of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product categories affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1. End-Of-Life Milestones and Dates for the PBN FT5S

Milestone	Definition	Date
End-Of-Life Announcement Date	The date of the document that announces the end of sale and end of life of a product.	01 Sep 2020
End-Of-Sale Date	The last date to order the product through the PBN order desk. The product is no longer for sale after this date.	31 Dec 2020
Last Ship Date	The last ship date that can be requested of PBN. Actual ship date is dependent on lead time.	30 Jan 2021
Last Date of Support	The last date PBN provides service and support for the product. After this date all out-of-warranty support services for the product are discontinued, and the product becomes obsolete.	30 Nov 2022

Table 2. Product Part Categories Affected by this Announcement

End-Of-Sale Product	Description	Replacement Product	Description
A-FT5S	Forward path Directly-Mod 1550nm Transmitter	A-FT5E-D: for dual ports version replacement A-FT5E-S: for one port version replacement	More details and information about the new modules are available in their respective datasheets

Please refer to the newly published datasheet on www.pbnglobal.com and contact your local sales representative if you require additional information or to obtain a quotation.
